## #15 Jet fighter airplane flight

Let the sky be your limit! Fly in a jet airplane and feel the thrill of a life time!

Fly co-pilot with one of our highly skilled pilots in the military jet airplane Seagull G2, all the way up to 6 km in the sky, and break the sound barrier cruising at speeds of 700 km/h. After a short training session, strap on an anti-G suite, helmet, oxygen mask and you will be ready for the ultimate fighter pilot test. Safety is a high priority!

The flight is for capable and fearless people. Complete jet fighter experience lasts about 30 minutes, including motor switch-on, lift off, flight, landing and motor switch-off. In Serbia everything is possible and this is the wildest 5 G-Force joyride that you will never forget! After a successful flight enjoy a traditional dinner in a famous traditional restaurant on a farm house.

***This experience can be even better. You can fly in formation of four fighter airplanes! Imagine yourself with 3 friends in combat formation, while your guide is recording complete jet fighter experience, so you can refresh your Top Gun memory when ever you want.***
