

GUARANTEED TOUR No.3

BELGRADE BESIDES THE RIVERS ON BICYCLE

Guaranteed departure sightseeing and excursion

Join us on a relaxing bike ride through Belgrade, along its two great European rivers, on a Sunday morning. This is the perfect tour for you; you can take your family out for an activity, your loved one, or even start a fresh day with your friends. Starting from the towers of Belgrade fortress, we explore the confluence of the two rivers, where you will see the beginning of the Panonian plain which used to be a sea long time ago.

Ride along the piers and docks upstream the Danube and Sava Rivers all the way to Ada Ciganlija Resort – Sava Lake and Peninsula. This resort is the largest and the most beautiful resort in Belgrade with beautiful beaches and sports facilities. Sava Lake is one of few in Europe that are located near the center of the capital. The shores of the lake are the largest European metropolitan pebbly beaches, and also by the official statistics one of the most popular and safest lakes for swimming in Europe. Here you can take a break and have some refreshing drink.
