

## Serbia For Beginners

This program is designed for all the curious ones who never been to Serbia before, or they know nothing about this country. Through this program we will travel through time since we will be visiting some of the most significant locations from the Roman period (1-4 b.c), medieval fortresses on Danube, monasteries from 16th century, villages in Vojvodina that were inhabited in 18th century by people from various parts of the Europe, making today a unique cultural diversity of nationalities and religions.

### 8 days / 7 nights
